QUALIFIED OPINION

We were engaged to audit the accompanying Ind AS Standalone Financial Statements of BKM Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, notes and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

We do not express an opinion on the accompanying Ind AS Financial Statements of the Company. Because of the significance of matters described in the Basis of Qualified Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these Ind AS Financial Statements.

BASIS FOR QUALIFIED OPINION

The Company is undergoing CIRP w.e.f. 30th December 2020 and there were no operations in all six (6) manufacturing facilities. Ex- RP tried to take handover of all books and accounts of Corporate Debtor (CD) as part of CIRP process but could not receive any information/data from the representatives of the CD. Ex-RP had to file a non-cooperation application with Hon'ble NCLT mentioning this non-cooperation from the promoter/directors of the CD. The application is still waited for order by Hon'ble NCLT. The accounting/financial data of CD was stored in a cloud server maintained by NTT Global Data Centers & Cloud Infrastructures India Pvt. Ltd. formerly called as Netmagic IT Services Pvt. Ltd. The payments for the service provider were long overdue. The erstwhile RP had mentioned in his handover that outstanding payments for the accounting server remained unpaid as the same was not approved by the Committee of Creditors for

payment and consequently the entire accounting data stored in the cloud server was deleted by the service provider on grounds of long outstanding dues. Current RP requested the service provider that he will try to get his unpaid dues during the CIRP paid by CoC members and he should provide the backup financial information to him as it is a crucial data related to CD. But on his denial of the same RP had to file an application against the service provider which is also pending for order by Hon'ble NCLT.

Though the user id and password to access the accounting software was provided by the CD, the current RP could not obtain any data because the entire accounting data stored in the cloud server was deleted by the service provider on grounds of long outstanding dues. The current RP has to rely only on an excel spreadsheet provided by ex-RP, pertaining to the period 01st April 2020 till 31st December 2020 as a part of his handover which he claimed to be the only data dump received from the Corporate Debtor.

The Ind AS Standalone Financial Statements for the year under audit has been prepared by the current Resolution Professional taking into account the Ind AS Standalone Financial Statements for the financial year ended 2021 which was prepared by him only on the basis of aforementioned excel and bank statement of account maintained with PNB as a CIRP Bank Account. Under such circumstances, in the absolute absence of any evidence substantiating the operations of the Corporate Debtor during the aforementioned period of 01st April 2020 to 31st December 2020 we cannot express any opinion with respect to current status of closing balances of the financial year 20-2021 carried down as opening balances for the year 2021-22.
