Dear Sir,

Reg: Clarification for Suspension of work at Hyderabad unit.

Please refer to your mail of 20th December, 2018 in respect of certain clarification regarding an announcement for suspension of work submitted to the Exchange on December 15, 2018.

We hereby reply your queries in seriatim :

1. Address of the factory where the lock out took place is Plot No. 125B, Sri Venkateshwara Co-operative Industrial Area, IDA, Vill-Bollaram, Dist: Sangareddy (Medak) – 502 325, Telengana.

A copy of Notice of Suspension of Work/lock out is attached showing detailed reason for Lock out ;

2. The aforesaid manufacturing unit was contributing 40% in the total revenue of the Company. However its present and future orders will be executed by Silvassa Unit of the Company where there is sufficient unutilised capacity and hence, there will be no major impact in the total revenue of the Company;
3. Loss/damage is not covered by insurance. However, no major loss is expected to be incurred by the Company since the present and future orders of Hyderabad unit will be executed by Silvassa Unit of the Company where there is sufficient unutilised capacity ;
4. It is unlikely to be major financial loss to the Company owing to closure/lock out of Hyderabad unit since the present and future orders of Hyderabad unit will be executed by Silvassa Unit of the Company where there is sufficient unutilised capacity.

Hope this clarifies your queries.

Thanking You,

For BKM Industries Limited.

**Surbhi Shah
Company Secretary**

NOTICE OF SUSPENSION OF WORK/LOCK OUT

The Management of BKM INDUSTRIES LIMITED (the Company), with grave concern and much pain, has to notify to the workmen of the Company who have been creating disturbance and indulging in various acts of indiscipline, including high handed violent activities while on duty, constituting major misconduct - despite repeated requests and advice that their genuine grievances, if any, would be settled through peaceful deliberations and discussions to remove their doubts / disputes within the legal framework.

After careful analysis of the above happenings at the plant it would clearly show that:

The workmen and some staff members have no regard and respect for lawful and reasonable instructions of the Management. In reasonable cases, where disciplinary actions have been taken by the Management, on several occasions workmen violently reacted and resorted to illegal strike / stoppage of work and kept G.M. & H.O.D. under confinement in the office for several hours every day for almost a month, during working time.

Demonstrations have frequently taken place without any permission of the concerned authorities inside the factory premises and as a result, workers remain away from their duty place and work at vital sections get stopped. The Management has no control over the workers as they abstain from duty at their whim. Undue pressure is also exerted upon administrative staff to get such irregular absences regularized. As a result, effective working hours in the all departments have practically been reduced to 3 hours.

Workers have prevented dispatches of packaging material of A.J. Packaging and have taken law in their own hands and prevented loading. The Management was forced to return the empty truck to the customer. The aforesaid acts are not only illegal, but have also resulted in the Company suffering substantial losses. Further, the Company has suffered huge financial loss due to workers not allowing the Management to gainfully utilize the manpower. Interference in duty allocation is rampant. Workmen are not working in an orderly and disciplined manner and also the Unions are not cooperating with the management.

Workers and some staff members are also not allowing the General Manager to discharge normal functions and have forced him to abstain from his duties. The function of the General Manager is to essentially and exclusively discharge responsibilities of higher management and exercise overall control over the factory. Therefore, there has been continuous loss to the company due to inability of the General Manager to take any major decision for over a period of six months and such a situation is still continuing. Workers have also physically assaulted the production manager Mr. Ajay Mohanty and Mr. Minaketan Behera in front of senior officers, merely for enquiring about the production report for the day.

On 20th November 2018 the situation remained tensed and chaotic. Mr. Sahadeb Das, a workman refused to perform loading and unloading work and asked for money to be paid to him. Mr. Ajay Mohanty opposed such demand, immediately after which, the said Sahadeb Das

become furious and started slapping and beating Mr. Mohanty with his fists. As a result, Mr. Mohanty fell down, causing grievous hurt and injuries, to his body. Workmen further threatened him with dire consequences by unleashing violent behavior and indulging in similar militant activities and showering abuses in vulgar languages on him. Workers continued their acts of criminal intimidation, willful insubordination and threatened our managerial and supervisory staff.

An Immediate action is warranted, since our Management personnel are crippled with serious injury due to violent and militant activities of the workers - who are bent upon continuing, instigating and abetting violent militant activities, causing grave risk and peril and danger to the lives of the Management personnel and the property of the Company due to such violent and high handed acts of some workmen, the Management has decided to take the painful decision having no other alternative or option, other than declaring **SUSPENSION OF WORK/ LOCK OUT** with effect from 15th December, 2018 (SATURDAY.....). Accordingly suspension of work will be given effect from 6.00 A.M., on 15th December 2018.

It is to be noted that workmen placed under aforesaid suspension of work will not be entitled to be paid wages / salary or other allowances for the period of suspension of work till further notice.

It is also to be noted that workmen will not enter and remain within the premises of BKM Industries Limited, Plot no. 125B, Sri Venkateswara Cooperative Industrial Area, Jinnaram Mandal, IDA Bollaram, Dist Sangareddy-502325, during such suspension of work from the time it has been so effected. However, this notice of suspension of work shall not be applicable for the team of security and maintaining the emergency services. List containing the names of such workmen / staff are enclosed.
