Applicable legal and regulatory framework

This Policy shall be read with the following principal requirements, each as amended, replaced, saved or brought into force from time to time:

- Companies Act, 2013, including sections 135, 166 and 182
- Prevention of Corruption Act, 1988 and applicable election, lobbying and public-procurement laws
- SEBI Listing Regulations and SEBI PIT Regulations
- Competition Act, 2002 and applicable industry regulations

STATUTORY OVERRIDE

If this Policy is inconsistent with a mandatory law, regulation, rule, circular, stock-exchange direction or judicial order, the mandatory requirement prevails. A more beneficial statutory employment benefit also prevails.

Policy provisions

Objective

The objective of this Public and Regulatory policy (“Policy”) is to establish the standards and principles to be followed by BKM Industries Limited (“BKM” or “the company”) while engaging with stakeholders, government authorities, regulators, industry bodies, and public institutions in the course of its operations.

Scope Of Applicability

This Policy applies to all directors, employees, officers, consultants, contractors, agents, representatives, and any other persons acting on behalf of the Company across all locations and business operations.

Policy Statement

Dealing with Stakeholders

The Company is committed to maintaining professional, transparent, and responsible relationships with all stakeholders, including customers, suppliers, distributors, shareholders, investors, lenders, consultants, service providers, contractors, and business associates.

In this regard, all employees and authorized representative shall:

Conduct themselves professionally, ethically, and responsibly while upholding the Company's values, reputation, and commitment to quality manufacturing and customer satisfaction.

Obtain necessary authorizations prior to making any public statements, external presentations and participating in industry forums on behalf of the company.

Maintain confidentiality of Company's information and disclose such information only where authorized or legally required.

Ensure all the information and business commitments are accurate, truthful and not misleading.

Refrain from accepting any gift, or favors in cash, kind or any other form that may compromise professional judgement or create an actual or perceived conflict of interest.

Promptly disclose any actual or potential conflict of interest involving suppliers, customers, contractors, regulators, or other stakeholders.

Dealing with Industry and Trade Associations

Employees or representatives nominated by the company to engage with trade and business associations shall:

Represent the company with integrity, professionalism and transparency.

Promote lawful, ethical, sustainable, and fair business practices that support the development of the packaging, industrial manufacturing, and engineering sectors.

Ensure compliance with all applicable competition, anti-trust, and fair trade laws during participation in industry discussions and forums.

Advocate responsible manufacturing practices, environmental stewardship, resource efficiency, workplace safety, and innovation within the industries in which the Company operates.

Act consistently with the Company's Code of Conduct, ESG commitments, and sustainability objectives

Dealing with Regulatory and Government Authorities

Regulatory authorities include, but are not limited to, Government departments other statutory or regulatory bodies relevant to the Company's operations.

Employees and representatives authorized to engage with such authorities shall ensure:

Compliance with the highest standards of integrity, legality, and ethical business conduct.

Promote lawful, ethical and fair business practices.

Ensure that no undue influence or pressure is exerted to obtain favorable decisions and to avoid frivolous litigation.

Ensure that all necessary compliances are completed and no records or data that has to be submitted to such regulatory bodies (either in physical or electronic form) are concealed, altered or destroyed.

That the Company fully cooperates with lawful inspections, audits, investigations, and inquiries conducted by competent authorities.

That no false or misleading information, records or data is created or provided with respect to the submission

That all manufacturing, environmental, health, safety, and labour compliance obligations are adhered to across the Company's facilities and operations.

Affirmation

All employees and agents / representatives of BKM shall adhere to the Company's Public and uphold the standards and principles contained herein.

They are expected to:

Conduct themselves in accordance with this policy and the Company's code of conduct.

Comply with both the spirit and letter of applicable laws, regulations and internal policies while acting on behalf of the company.

Recognize the Company's responsibilities toward shareholders, customers, employees, suppliers, communities, and society at large.

Exercise sound judgment, ethical decision-making, and responsible business conduct in all professional activities.

Conduct business with due regard to product quality, workplace safety, environmental sustainability, human rights, and occupational health

Responsible Public Advocacy

BKM Industries Limited recognizes the importance of engaging constructively with government authorities, regulators, and industry associations on matters affecting the packaging, manufacturing, engineering, and industrial sectors.

Such engagement shall be guided by the Company's commitment to ethical conduct, transparency, sustainability, operational excellence, and responsible corporate governance.

All employees and representatives participating in policy discussions, advocacy initiatives, sustainability forums, or industry engagements on behalf of the Company shall ensure that:

Their actions and advocacy positions are aligned with the Company's values, Code of Conduct, and long-term business and sustainability objectives.

Any policy advocacy or industry engagement is lawful, transparent, and conducted through appropriate and recognized channels.

The Company does not engage in or support unethical lobbying, bribery, corruption, anti-competitive conduct, or improper influence.

The Company supports responsible industrial development, environmental compliance, energy efficiency, waste reduction, sustainable packaging solutions, and workplace safety initiatives where relevant to its operations.

Where participation in any industry association or advocacy platform is found to be materially inconsistent with the Company's ethical standards, sustainability commitments, or governance principles, the Company may review, engage, escalate concerns, disclose its position, or withdraw participation as appropriate.

Policy Review

This Policy shall be reviewed periodically and may be amended, modified or updated by the Board of Directors or any authorized committee/official of the Company to ensure continued relevance, operational effectiveness, regulatory compliance, and alignment with evolving business practices and industry requirements.

Governance, monitoring and records

- Policy owner: Company Secretary & Compliance Officer. The owner shall maintain procedures, registers, evidence and training appropriate to the control risks.
- Functional heads must escalate suspected breaches promptly and cooperate with reviews or investigations.
- Records must be accurate, access-controlled and retained for the longer of the statutory period, an applicable legal hold and the Company's Preservation Policy.
- A person who raises a concern in good faith is protected from retaliation, subject to the Company's whistleblower framework.

Review, approval and controlled disclosure

This Policy shall be reviewed annually and earlier on a material legal, regulatory, operational or organisational change. Amendments require approval by the Board of Directors unless a law permits a delegated, non-substantive update.

This is an internal controlled document. External disclosure is permitted only where required by law or specifically authorised through the Company's disclosure controls.
